EL CAMINO BOOKS

• **El Camino Photo Album...1959-1987**
 Including GMC Sprint and Caballero. An all-inclusive photographic history of the Chevrolet El Camino from its inception in 1959 to the end of production in 1987. All models from each year are illustrated using both factory and current photos, along with descriptive captions. These large, high-quality photographs illustrate various body styles, engines, and interiors. Also included are sales brochures and a chart showing sales figures. A brief introduction provides an account of changes and improvements made to the vehicles, while also exploring the impact El Camino had on the truck market. Great browsing material for all truck lovers.
